

PIMA Charity Golf Day 2005

It's official.

The PIMA Charity Golf Day will be held at Carnarvon Golf Club (scene of last year's triumph) on Friday 13th May 2005 (an auspicious date for some – make sure you bring your lucky charms).

As you will remember, last year's charity was the 'Molly Wood & Sophie Delezio Trust Fund' and the Plastics Industry was able to raise \$40,000 on the day.

This time the charity will be the 'Day of Difference Foundation' which has been set up by Ron Delezio. The goal of this charity is to raise money for the Burns Unit of Westmead Childrens' Hospital. The PIMA Committee has decided to help 'kick-start' this foundation and at the same time help a lot of other kids like Molly & Sophie.

After Christmas PIMA will be mailing out letters setting out the various levels of sponsorship available so that you can budget some charity/advertising funds for next year.

The event will again be an Ambrose (teams of 4 players) so that all levels of golfer are catered for. Start to organise your teams now to ensure that a great day will be had by all. A special challenge is sent out for more mixed teams

Although it has been a long time in coming, here is the acknowledgement of the 2004 winners.

Plastics Pioneers

Another successful year for the Pioneers has been completed with the Christmas Lunch which was held at the Rugby Club on 25th November. Mick Leabeater from ASP Plastics was re-elected President for the coming year and a vote of thanks was made to Lilly, Linda and Haseena from ASP Plastics who so ably helped Mick organize all the luncheons this year.

Anyone interested in joining the Pioneers should contact Mick Leabeater on (02) 9623 7677.

2004 CAD Inducted

On the 19th November 2004 the official announcement was made of this years CAD at a lunch held at The Rugby Club attended by around 20 CADs. This is a position of great honour in the Plastics Industry. Every year since 1950 there has been one member of the industry inducted in recognition of his contribution to the industry (a sort of Academy Award). This year the 'lucky' person was John Wellman who was nominated for his long service to the industry, including time on the PIMA Committee handed the CADS Cup by the 2003 CAD, Mick Leabeater.

Merry Christmas to all

The PIMA Committee wishes all PIMA Members and friends a Merry Christmas and a Happy and Prosperous New Year.

New Look PIMA PRESS

In an effort to publish more editions your PIMA PRESS has taken on a new format. It is our aim to publish (by email only) a shorter, more concise version that will hopefully come out monthly. Please keep in mind that the editor is a VOLUNTEER and would appreciate your contributions, whether they be snippets of information as to what is happening in the Plastics Industry, new product or process information, or anything that you feel would be of interest to the industry as a whole. If you would like to contribute please send copy to pima@pima.asn.au. Please place the word 'newsletter' in your subject box of your email.
